Dear Mr. Casey:

STAT

On 1 and 2 August, the Institute for National Strategic Studies hosted a workshop on the prospects for reform in the Philippines military at National Defense University. Each participant was provided with background material on this issue. One of the most valuable items they received was a set of thematic extracts from the Philippine press which had been compiled by [redacted] of the FBIS Production Group. The reviews of their work have been universally enthusiastic.

The responses to our workshop from the policymaking community have been very positive. We are very thankful for the professional assistance of [redacted] in helping to make it a success.

Respectfully,

Richard D. Lawrence
